## **For the Parents: “*We’re in This Together*”**

We believe that each dancer’s success depends on the support of their parents, guardians and families. Your commitment to the process makes an enormous difference and we encourage you to be a part of your dancer’s education.

Our programs rely on a positive atmosphere and educational experience for our faculty, students, and parents. Cooperation between all parents is expected. Showing respect for other parents, the students, and the faculty makes an important impression on the dancers. You are a role model for your dancer. We must work together to teach how to interact with others and conduct oneself in a professional setting. I will share a Document at the beginning of the dance year for Parents to add in their contact information if you would like to get to know your fellow dancers’ families.

Your dancer’s presence at all classes is imperative. The spirit of teamwork and the invaluable lesson of dedication are a big part of our school’s educational process.

Parents and teachers may look at a dancer’s learning process from different perspectives. However, we believe they share a common goal: to ensure that every dancer receives the best possible training, both physically and mentally.

## Attendance Policy

All dancers are expected to attend their regularly scheduled classes in addition to any scheduled weekend rehearsals.

There will be **1 mandatory 1 hour** rehearsal for their competition dance on a weekend outside of class time.

**weDance Crew:** *Saturday, February 1, 2025*

We are excited to invite our SDDS weDance Crew to participate in the Patchogue 4th of July Parade alongside our SDDS Elite Company and SDDS Crew! This is another exciting opportunity granted to all our students who participate in the SDDS weDance Crew! Each dancer will wear their Recital T-Shirt, white shorts and white sneakers.

Every student will be permitted **5 Excused Absences** for their Crew Competition Classes (weDance Crew Choreography and weDance Crew Technique). At the 5<sup>th</sup> absence, you and your dancer will receive an email. If a 6<sup>th</sup> class is missed you will receive a phone call from the office and your child will be placed on Attendance Probation. If a 7<sup>th</sup> class is missed, your child will be dismissed from the SDDS weDance Crew Competition Class, regardless of the time of year. There will be no refunds for Rehearsal Fees, Competition Fees, or Costumes. Please use your absences wisely anticipating mandatory school & family functions.

If a student is injured for an extended amount of time, accompanied by a doctor's note, their status in that class will be up to the discretion of the SDDS instructor. In certain situations, when a student misses weeks of class at a time, even if they are observing they may fall behind in their choreography and technical responsibilities. It is at the instructor's discretion if they believe the student will be able to catch up. At that point, the instructor has the authority to take them out of sections of the dance or replace them entirely.

## Zoom

If a dancer is away or not feeling well but they are able to take class via Zoom, we highly encourage them to do so! However, please note this will count as a ½ absence.

## Image/Dress Code

Image is important to us here at Stage Door School of Dance and should be to you as well. If you look good, then you feel good, and perform better in class; this is proven. *Please encourage your dancer to be dressed appropriately in all dance classes.*

For our **weDance Crew Choreography classes**, dancers are **required** to wear the following:

A solid color t-shirt or a Stagedoor t-shirt and black dance shorts/pants and a tan or black Jazz shoe. Hair must be pulled back off of your face.

For a more **professional** look during these classes, we *suggest* that dancers abide by the following SDSD Crew attire policies listed below.

CLASS	ATTIRE	TIGHTS & SHOES	HAIR
SDSD Crew Classes	<b>Girls:</b> Leotard; Tan tights, black shorts. <b>Boys:</b> White/Black T-Shirt, Black Pants or Shorts.	Tan Jazz shoes Black Jazz shoes	<b>Girls:</b> In a bun. <b>Boys:</b> Off of face.

## **Additional Financial Notes**

Part of the commitment to the SDDS Crew Program is being current with your SDDS account. If you have advance knowledge of a financial concern regarding your SDDS account, you must communicate that concern to management. Additionally, all accounts must be **paid in full** prior to the purchase of any tickets to the annual recital; a code will not be given if your account is not up to date. If you have any questions or concerns regarding this please contact Cori at [sdsdfinance@stagedoordancer.com](mailto:sdsdfinance@stagedoordancer.com).

Our staff will continue to provide monthly statements so that you can process Self Direction reimbursement. Please make sure that the front desk is aware that you require this paperwork.

## **Adjudication Panel @ SDDS: Competition Dress Rehearsal**

Every year Ms. Mary brings out a "panel" viewing all of SDDS's Large Group Competition Routines. We've found this to be very helpful and inspiring for our young dancers to meet REAL WORKING DANCERS and to hear their feedback, which is always very useful at this stage of the game!! Each parent is invited to be in the room when their dancer is dancing, as the Panel will give your dancer's choreography amazing feedback and insight into their dancing.

## **The Competition Experience**

For dedicated dancers, the satisfaction of an excellent performance is all the motivation they need to work harder to continue improving. Don't judge how you feel about your performance by the size of the trophy or the color of the medal.

### **The Focus Is Not Simply on Competition.**

It is our goal to instill in our students a passion for performing rather than merely the desire to win awards. We believe the lessons learned through community performances and services are as valuable, if not MORE, than the competition experience.

Our solid reputation for quality reflects our attitude toward competition and our goal is to develop in each student a genuine respect for dance as an art form. We consider students' participation in competitions not merely part of their dance training; it's also an important part of how we influence their growth as people. With the right focus, the experience gained in competition can be an excellent source of self-confidence. If the dancers feel good about a performance and understand that they become better each time they go onstage, they are truly growing through the competition experience. Hitting that stage and doing the best they can is what it's all about. Trophies and the pressure of "winning" become secondary. Being given the opportunity to perform is priceless.

Through participation in competitions, we hope to instill in our students an appreciation for other dancers and schools. We are not out to beat anyone; instead, we hope to motivate both students and faculty by exposing them to the highest caliber of talent

available. Only then can we produce the best dancers and teachers possible. For us, competition is an education and inspires and drives us all to be greater artists.

## **Policy for Optional Private Lessons**

This program is open to all SDSD students (Recreational & Company Level). In order to schedule a private lesson, you must email our admin staff at [manager@stagedoordancer.com](mailto:manager@stagedoordancer.com). Please allow some time for coordinating schedules for booking privates. Privates are NOT considered to be officially scheduled until the full DEBIT/CREDIT CARD payment is submitted. There will not be any privates scheduled prior to receiving payment, as the time and effort put in for these sessions must be equally shared between teachers and dancers. All cancellations must be made 48 hours in advance to receive a credit on your account for paid fees. All of your favorite teachers will be involved in this program! This is a great opportunity for students to make improvements in specific classes since they are receiving private lessons. We believe the student's performance quality; work ethic and technique will improve drastically from this experience. You choose the teacher for your private lesson and get ready to see FAST AND POSITIVE results!

## **Studio Bookings & Rehearsal Space**

The studio is available to individual dancers and groups of dancers to rent for rehearsal time. Rehearsal space bookings and Private Lesson bookings can be scheduled through admin by emailing: [manager@stagedoordancer.com](mailto:manager@stagedoordancer.com).

## **Student and Parent Use of Social Media**

## Summer Commitments: *Intensive & Performances*

Our Five-Week summer intensive is HIGHLY RECOMMENDED for all SDSA weDance Crew Program members in order to hold your status for the following dance season. While we understand that the summer is a time for vacations and spending time with your family, as a dancer it is not a time to fall behind on your dance technique. Use the summer to focus on your technique and push yourself prior to the new dance season!
